CUSTOMIZE YOUR LIDS!

L1612-LH-LID

L1711-LH-LID

Choose the LID with the
LH code for customization

These MTA lids are made with no holes. However you can easily add anti-condensation and lifting holes and tag cut outs as they are durable enough for this process. Holes and cutouts customization can be chosen in the product options on the website.

Usage

Our lids are crystal clear, perfect for showcasing products. While our lids can be used for stacking, please note that over time, they may show marks from the trays above. If maintaining clarity is essential, avoid stacking trays on top of these lids.

Benefits

- ✓ Reduces plastic wrapping waste
- ✓ Aids in food preparation
- ✓ Improves time management
- ✓ Saves space and are stackable
- ✓ Highly durable material
- ✓ Easy to clean and maintain

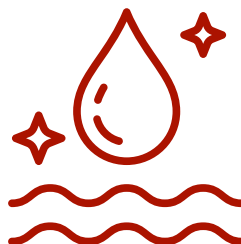

Maintenance

Clean the lid

Use a soft cloth with really hot, soapy water to clean the lids.

Rinse thoroughly

After washing, rinse off all soap with hot water.

Air dry

Allow the lids to air dry completely for the best results.
